## Access to the Public Safety Self Assessments 1 & 2

Public Safety Self Assessment 1 & 2 (PSSA) are available online at any time from your secure Candidate Portal. To access the Candidate Portal simply log in from the NTN website (upper righthand corner) using your registration credentials.

Once logged in, "Your Account" homepage will reflect any testing requirements that still need action. The example below shows the Public Safety Self Assessment Part 2 is still needed. Simply click the red box to begin that testing requirement.

Upon completion, the requirement will no longer display on the homepage. You can confirm it was successfully completed by clicking "View Tests & Scores" from the left menu options. Both PSSA 1 and PSSA 2 will show a

If you have any additional questions, NTN Candidate Support is available by phone, email, and chat functionality. To connect with Candidate Support, select "Contact" from the NTN Website or capture the QR code with your mobile device.
